

Joint Notice of Privacy Practices Children's Advocacy Centers of Texas CACTX OHCA

Effective Date: September 1, 2025

This notice describes how medical information about you may be used and disclosed and how you can get access to this information. **Please review it carefully.**

THIS JOINT NOTICE OF PRIVACY PRACTICES (“Notice”) GIVES YOU INFORMATION REQUIRED BY LAW about the obligations and privacy practices of CHILDREN’S ADVOCACY CENTERS OF TEXAS, INC. (“CACTX”) and EACH LOCAL CHILDREN’S ADVOCACY CENTER (each, a “Center”, and collectively with CACTX, “CACTX OHCA”).

An Organized Health Care Arrangement (“OHCA”) is a clinically integrated care setting, in which individuals receive healthcare from more than one healthcare provider. An OHCA can be formed between covered entities that present themselves to the public as part of a joint arrangement. An OHCA allows legally separate entities to use and disclose health information as necessary to carry out treatment, payment, and healthcare operations activities relating to the operation of the arrangement. Generally, “health information” means any information that is created or received by a healthcare provider, health plan, public health authority, employer, life insurer, school or university, or health care clearinghouse, and relates to the past, present, or future physical or mental health or condition of an individual, the provision of healthcare services to an individual, or payment related to the same. CACTX OHCA is organized as an OHCA and this Notice applies to the participating members described below in the section entitled, “WHO WILL FOLLOW THIS NOTICE?”

CACTX OHCA provides services relating to child abuse investigations and delivery of services, including, but not limited to, healthcare services, to children and families in partnership with local communities and governmental agencies investigating and prosecuting child abuse. CACTX OHCA receives and maintains your health information while providing these services to you, and CACTX OHCA may contract with business associates to help it provide services to you. Business associates may receive, use, and maintain your health information in the course of providing services for or on behalf of CACTX OHCA. Business associates must agree in writing to ensure the privacy and security of your health information.

Should you have any questions about this Notice, please contact the Privacy Officer for your center, whose contact info is listed at the bottom of this document.

Your Rights Regarding Your Health Information

You have the following rights regarding your health information received or maintained by Centers participating in the CACTX OHCA:

Right to Inspect and Copy. Under most circumstances, you have the right to inspect and/or copy your health information maintained by CACTX OHCA. Usually, this includes medical, dental, and billing records, but does not include psychotherapy notes.

To inspect and copy your health information, you must submit your request in writing to your Center's Privacy Officer (whose contact information is listed at the bottom of this document). If you request a copy of the information, CACTX OHCA may charge a nominal, cost-based fee to carry out your request.

In certain circumstances allowed by law, CACTX OHCA may deny your request to inspect and/or copy your health information. If you are denied access to your health information, we will notify of you in writing of such denial. So long as the denial is subject to review under federal law, you may request that the denial be reviewed and CACTX OHCA will comply with the outcome of such review.

Right to Amend. If you feel that your health information is incorrect or incomplete, you may ask CACTX OHCA to correct or amend the information. You have the right to request an amendment for as long as the information is kept by CACTX OHCA.

To request an amendment, your request must be made in writing and submitted to your Center's Privacy Officer (whose contact information is listed at the bottom of this document), and you must provide a reason to support your request.

CACTX OHCA may deny your request for an amendment if it is not in writing or does not include a reason to support the request. In addition, CACTX OHCA may deny your request if you ask us to amend any medical or dental information that:

- CACTX OHCA did not create, unless the person or entity that created the information is no longer available to make the amendment;
- Is not part of the medical or dental information maintained by CACTX OHCA;
- Is not part of the medical or dental information you could inspect and copy; or
- Is otherwise accurate and complete.

If we deny your request, we will notify you of that denial in writing.

Right to an Accounting of Disclosures. You have the right to request an “accounting of disclosures.” This is a list of the disclosures made of your health information for purposes other than treatment, payment, or healthcare operations.

To request such an accounting, you must submit your request in writing to your Center’s Privacy Officer (whose contact information is listed at the bottom of this document). Your request must state a time period, which may not be longer than six (6) years. Your request should indicate in what form you want the list (for example, on paper or electronically). The first list you request within a 12-month period will be provided to you by CACTX OHCA for free. For additional lists within the 12-month period, you may be charged for the cost of providing the list. CACTX OHCA will notify you of the cost involved, and you may choose to withdraw or modify your request at that time before any costs are incurred.

Right to Request Restrictions. You have the right to request a restriction or limitation on the health information CACTX OHCA uses or discloses about you for treatment, payment, or healthcare operations. You also have the right to request a limit on the health information CACTX OHCA uses or discloses about you to someone involved in your care or for payment of your care. ***However, CACTX OHCA is not required to agree to your request.*** Should CACTX OHCA agree to your request, CACTX OHCA will comply with your request, unless the information is needed to provide you emergency treatment or disclosure is needed for certain authorized purposes, including disclosures for law enforcement purposes, in connection with cases of abuse, neglect or domestic violence, or as otherwise required by law.

To request restrictions you must make your request in writing to your Center’s Privacy Officer (whose contact information is listed at the bottom of this document). In your request you may indicate: (1) what information you want to limit; (2) whether you want to limit CACTX OHCA’s use or disclosure; and (3) to whom you want the limits to apply.

Right to Request Confidential Communications. You have the right to request that CACTX OHCA communicate with you about health or program matters in a certain way or at a certain location. For example, you can ask that CACTX OHCA contact you only at work or by mail.

To request that CACTX OHCA communicate in a certain manner, you must make your request in writing to your Center’s Privacy Officer (whose contact information is listed at the bottom of this document). You do not have to state a reason for your request. CACTX OHCA will accommodate all reasonable requests. Your request must specify how or where you wish to be contacted.
